

Alto

Combined Internal Sounder / Speaker

CQR

First choice for quality

CQR offer a large range of quality internal sounders, buzzers and speakers to deliver audio and visual signalling of an intrusion attempt.

- Low Profile Design
- 110dB(A) sound output
- Connect either as a sounder or speaker
- Selectable alternating or continuous tone
- Low current consumption
- Tamper protected lid and mounting
- High Impedance allowing multiple speakers to be used
- Also available as an internal sounder or a extension speaker

Product codes

SOSP/ALTO/WH/G *Alto White Extension Speaker With Tamper*
